Sheffield Youth Justice Service		£264,974.00	The funding will support the work of the Sheffield Youth Justice Service in delivering pre-court and youth crime prevention service and ensuring that young people at risk of entering the criminal justice system are identified early, assessed and provided with substance misuse screening. The aim is to provide a joint multi agency approach to addressing the issue of youth crime within the Sheffield area.
Somali Community and Cultural School on behave (2 Sheffield Somali Forum Organisations:- Somali Community & Cultural School and ICT Community School & Subject Support	Inspire Youth in Sheffield City-Wide	£11,800.00	Create youth activities providing, youth clubs with indoor games, achievement, enjoyment and training in writing CVS, Job search and techniques of interviews. In partnership provide these activities to reduce antisocial behaviour, prevent reoffending, protect most vulnerable people and improve visible policing
South Yorkshire Probation Trust	1. Victim Initiated Restorative Justice Project 2. Integrated Offender Management	£250,000.00	The South Yorkshire Probation Trust will co-ordinate a project to increase victims knowledge of Restorative Justice earlier in the criminal justice process - 'pre court' - and increase the number of Restorative Justice interventions ordered by the court that are 'victim initiated'. Victim Support will train staff and volunteers so they can introduce victims to the potential of RJ interventions at the earliest stage and identify those wishing to participate. Probation staff will be trained to raise the profile of RJ with offenders and include information about victims willingness to participate in court reports to inform sentencing. REMEDI will provide trained RJ practioners to facilitate all RJ interventions that result from this initiative. Provision of additional Offender Management capacity for non statutory offenders mentoring scheme for all IOM offenders.
Speakup Self Advocacy Ltd	Lets not become a victim, lets keep safe!	£6,680.00	Training courses (8 people per course) for vulnerable people (x 80 aged 16 to 60+) to develop personal safety strategies increasing confidence, reporting and ability to be safe. Workbook for participants to act as an aide memoir.
The Cascade Foundation	The Cascade Pre and Post Release Project	£21,700.00	Build on the projects acclaimed work undertaken in prison, extending it out into a house in the community. This house will be for newly released offenders with learning difficulties and other disengaged young people with learning difficulties, at risk of offending. Aim to reduce the re-offending rate amongst participants
The Hood Box Fit	The Hood Box Fit	£4,670.00	Fund boxing equipment purchase to support the expansion and development of an existing club to support more targeted young people reducing anti-social behaviour

The M25 Housing & Support Group	Breakfast Benefits	£12,200.00	Delivery of a second M25 Drop in service. This will ensure as even as possible availability of direct access to both nutritional and social support opportunities as an engagement incentive. Ensure that those individuals most hard to reach, are afforded access to specialist advice and support to prevent a decline in their living standards and increase risks in relation to reoffending potential.
The Youth Association	Hexthorpe Detached Project	£9,686.00	Support existing work being delivered in Hexthorpe. Work with young people aged 11 - 19 including Roma-Slovak who gather on the streets delivering youth work sessions at times when they gather. Informal education, proactively dealing with far right views and sentiments. Activities to compliment existing. Work with SNT, Youth Service etc.
Tinsley Forum	One Darnall	£30,000.00	Provide a community hub for all races, faiths and ethnicities across a range of demographics to increase community cohesion in Darnall, particularly in terms of integrating Eastern European migrants into existing communities
Victim Support		£94,463.00	Victim Support will provide additional enhanced services to the most vulnerable witnesses and victims of crime in South Yorkshire. The first priorities for this service will be the establishment of a Young Witness Service and the deployment of Vulnerable Victim Caseworkers. Additionally Victim Support in South Yorkshire will facilitate a Victim Satisfaction Survey on behalf of the PCC, to help ensure that the plans and strategies of the South Yorkshire Police reflect the real needs of local victims of crime. We will do this by utilising trained volunteers making direct contact with randomly selected victims from our Case Management System based on the requirements of the PCC and by arranging appropriate Focus Groups.
Young Women's Housing Project	Young Women's Housing Project 'Protect Yourself'	£27,000.00	Deliver a 12-month programme of weekly group-work and one-to-one sessions using accredited Protective Behaviours methodology, a practical approach to personal-safety to reduce likelihood of becoming victims of abuse/exploitation/violence; preventative interventions targeting issues of localised grooming. Clients develop skills to keep themselves and others safe, reduce their fear of harm/victimisation and strengthen their resilience to desist becoming involved in gang/youth/violence
