

Organisation	Project	Level of Funding £	Problem
Sharrow Community Forum	Adventures Youth	4,660.00	Our project aims to inspire and empower young people to make positive contributions to their community and offer opportunities to build a better future for them.
Speakup	Report with Support	4,750.00	We will tackle hate crime by Improving the knowledge of people with learning disabilities and/or autism in how to report the crime and hate crime without fear and with peer mentors in place to support them through a 'Report with Support' Circle of peers. In addition increase the capacity of available support through Circles of Peers.
Hanover Tenants Association	Employment & Skills Project	855.00	Start a supported coffee morning for women only, this will be an English Conversation Group, but we hope to use it to help support and signpost to other services such as Domestic Abuse and Employment & Skills advise.
Ben's Centre	Outreach City Centre Vulnerable Adults ASB	4,860.00	The project aims to help each Chronic Street Drinkers (CSD) and drug users to address the issues at the heart of their alcohol and drug dependency and enable them to turn their life around. To engage clients in treatment and support them to appointments. Offer a listening ear and sign post to the appropriate services.
Heeley City Farm	Heeley City Farm	5,000.00	Engage vulnerable young people from a wide age range in practical outdoor activities at Heeley City Farm, enhancing their education and employment opportunities. Encouraging young people away from crime and increasing community volunteering . Our programmes combine practical farm activities with classroom based academic activities.
Roundabout	Alcohol and Substance Misuse Support Worker	5,000.00	Fund an Alcohol and Substance Misuse Support Worker who works with young people who are housed, supported or advised by Roundabout. Tailored one-to-one sessions are arranged so the young person can discuss their substance use and make informed decisions. Preventative group workshops are provided where young people can talk openly, encouraging them to learn new ways to reduce the impact that substances may have on their lives.
Pakistan Advice and Community Association	'Cultures Coming Together'	2,864.00	Engage 60 young people in table tennis, film nights building on the successful 'Dark Nights' Film & Education Project of 2015. Supported by 10 volunteers to develop new friendships across cultures, communication skills, understanding through co-operation. Target ages 8 – 20, particularly to engage young children, establish a foundation on which to build improved community cohesion for the future.
Darnall Forum	Supporting S Asian Women in Tinsley & Darnall	4,173.00	Support local BME women at risk of domestic abuse with confidence building support and help in recognising the ways in which abuse may be occurring In particular those unable to recognise that they are victims of abuse and are entitled to assert their right to be free of abuse.
The Youth Association	Balby Detached Youth Project	4,834.00	The area of Balby is experiencing youth nuisance and anti social behaviour perpetrated by young people who are marginalized and bored. Make a positive difference to the life chances of local disengaged young people, as well as the daily lives of local residents. The project will work with young people on their own streets and then attracts them into positive developmental programmes of activity.
De Hood CIC	Trenchtown Football	5,000.00	De Hood would will expand its service by introducing new activities at the hub. Alongside the already successful boxing club De Hood will use the other spaces available to allow the community members to engage in other activities such as 5-a-side football and a dance class.
Worsbrough Bridge Cricket Club	Indoor Net Sessions 2016/17	1,330.00	On a number of streets mainly in the Bank End area of Worsbrough ASB is taking place and there is a group that congregates in the park as well. The aim is engage the individuals on Friday evening at Barnsley Academy to do net work, bringing them back into the community and focus their attention in a positive way to divert them from ASB and nuisance behaviour.

Jenga Training C.I.C	First Class	300.00	Train targeted young people providing accreditation enabling movement into employment or enterprise strengthening community cohesion within a village that has suffered high levels of drug and alcohol abuse, crime, ASB and high unemployment levels. Provide an opportunity to build skills that will contribute towards movement into employment or enterprise and supporting their families using legal activities learning and activities that will build community cohesion.
Hope for Justice	Human Trafficking Training	1,200.00	Many frontline professionals from statutory and non-statutory sectors may often come across victims of human trafficking in their day-to-day work without being aware of it. The limited knowledge or understanding of trafficking often result in victims never being identified or helped and perpetrators escaping justice. Specialist training is designed to define what human trafficking is and identify the different types that exist, highlight the signs of trafficking and explain course of action.
Changing Lives	Amber	4,800.72	There are women sex-working in Doncaster who are extremely vulnerable to sexual exploitation, hate crime and domestic abuse. The project is designed to reduce their risk of harm and is in addition to the already successful Amber project working to reduce the level of sex working in the town. Deliver messages of safety advice and work collaboratively with the police and partner agencies to do so. This project will provide sex workers with rape alarms/information and support them to sign up to Ugly Mugs and the immobilise project through the police, so that we can significantly reduce their likelihood of harm and provide valuable information.
Three Consulting Limited	'WYC' (Woodthorpe Youth Community)	4,977.00	Woodthorpe suffers from significantly higher levels of crime/anti-social behaviour, single parent families and significantly low primary/secondary school attendance rates than other areas. Run a youth project that delivers a programme of fun, educational and engaging activities for young people which will involve their social interaction and shared experiences with other young people enabling them to feel part of the community in which they live.
Barnsley Beacon Support Services	Carers Arts	3,095.00	Address the isolation and vulnerability of carers and families of drug and alcohol users. These family members live with much stigma and find it difficult to engage in the community. The organisation will address these issues through an arts project where up to 10 individuals will express themselves through art, poetry and creative writing. The Carers Journey which is an excellent view of what it is like living with addiction in the family. Barnsley Beacon is the only service within the borough that supports carers alone.
MESH	Embedded Community Mediation	4,900.00	High levels of ASB recorded in Abbeydale corridor are attributed to a group of young men of Pakistani heritage. We have mapped community dynamics and identified that parents are not engaging sufficiently with the issues. Established relationships with community leaders enables us to work with Asian mothers. We will build relationships to empower and enable these women to intervene constructively, for example by providing training in mediation skills. This targeted approach develops our work with Community Guardians - specifically to address the absent voice of local women. Women from several local communities have expressed fear of using Mount Pleasant Park which has become the centre of the ASB and been the subject of dispersal orders. We will also work with fathers and elders through links established with two local mosques thereby enacting a whole system approach.

Golddigger Trust	Choose Your Own Adventure	4,999.80	<p>This project raises awareness and delivers advice around issues of child sexual exploitation, domestic abuse and e-safety to young people aged 13-18 through an innovative and creative session delivered in schools and in the community. The 'Choose Your Own Adventure' session allows groups of young people to explore consequences and choices around these topics through our larger than life 'board game'. SYPCC kindly funded the pilot programme in 2015/16 and there is increased demand for this unique project from schools. During the pilot project, we had incredible feedback, with 100% of young people saying that they found the session beneficial and helpful in exploring these issues. Through this funding, we would like to expand the project to deliver an additional 40 sessions (each with 15-30 young people) in schools and the community, allowing around 1000 young people to take part, and 3 child sexual exploitation awareness sessions for parents, carers and professionals.</p>
Brathay Trust	Streetwise	3,280.00	<p>Continuing our work from 2015 in Sheffield we propose to deliver 15 group work sessions to young people aged 14-18 with the aim of preventing child sexual exploitation. Working with a number of partner organisations in Barnsley including Barnardo's, Barnsley Council Child Sexual Exploitation Team, Horizon School, Springwell specialist school and Safe@Last etc. we will use a youth work approach to deliver educational sessions to children identified as being at risk of child sexual exploitation. Outcomes will be around greater awareness of risk and improved self-esteem and resilience and sessions will focus on awareness of risk, making good choices, staying safe and the internet and social media (eSafety). After lengthy discussions with Barnardo's in Barnsley and Leesa Sheppard at Barnsley Child Sexual Exploitation team it is clear that there is a large gap in the town for this kind of provision. Focus is more on the high risk cases who have met the threshold of involvement with child sexual exploitation.</p>
Sheffield Recovery Community	Sheffield recovery community drop in	2,350.00	<p>This is a partnership application to trial a new drop in provision for people addicted or in recovery from substance misuse. The Hood, is a community based boxing gym, established by a local boxer in 2015. The Gym currently offers training sessions to both young people and adults, but is primarily used by young people. The gym currently attracts up to 30 young people per session and crime in the area has reduced some 50%. Service User Recovery Reference Group (SURRG) Has been meeting now for the past 4 years. We meeting monthly and the group brings together groups/agencies who provide support and opportunities for people in treatment and recovery from substance abuse. Whilst running sessions for the local community the Hood have identified. - young people have disclosed about parental and family substance misuse. - there are people in recovery already using the facilities. There currently isn't any drop in/ support provision for over 18's in this area of Sheffield</p>
Liberty Church Rotherham	Liberty Church - Community Youth Centre	5,000.00	<p>The project aims to transform the Liberty Church basement into a multi-purpose, youth community centre which will be open on a daily basis, operating after school, and providing a safe environment for youth to meet in, and enjoy the use of the facilities and services provided. The funding will be used entirely to purchase the furniture, fittings & equipment that the youth will utilize at the youth centre, to transform it into a popular youth centre. Our goals are to keep the youth off the streets, and to continuously encourage them not to engage in potentially harmful or illegal recreational activities. It will fill a gap, as currently there are no youth centres located in the Ferham area. The youth centre will also promote building healthy relationships, and enhance community cohesion among the youth of varying backgrounds, who tend to be segregated based on different ethnic groups.</p>
