Views of PCC's Chief Finance & Commissioning Officer

I have been consulted about this proposal and

I support this. The Home Office letter doesn't give any dates, but the money is essentially a re-imbusement of covid expenses for 2020/21 financial year, based on the funding formula, not the actual returns submitted. Given that the Force has managed to contain these costs within the budget, they're asking that it can be used in 21/22 to support additional activity. This is allowed under the grant terms as it's stated that it's an unconditional grant.
